

# **Three Underexploited Opportunity Directions for Engineering Management**

**Karl H. Vesper**

**July 2017**

**kvesper@uw.edu**

## **Three Underexploited Opportunity Directions**

- 1. More learning from engineering cases**
2. Minority-inclusive system design course
3. Cyber-mentor from entrepreneurship research

## Three Underexploited Opportunity Directions

1. More and better engineering cases
- 2. Minority-inclusive system design course**
3. Cyber-mentor from entrepreneurship research
